Medicaid Waiver Redesign
Self-Advocate and Family Feedback Sessions

Indiana's Division of Disability and Rehabilitative Services (DDRS) has begun the process of redesigning Medicaid waivers through the Bureau of Developmental Disability Services (BDDS).

BDDS has released an Initial Concept Paper regarding the redesign effort. A link to the concept paper and a summary created by The Arc of Indiana and Self-Advocates of Indiana is posted on The Arc's website at: www.arcind.org/medicaid-waiver-redesign/

The Arc of Indiana, Self-Advocates of Indiana and the Indiana Institute on Disability and Community are hosting a series of feedback sessions at the following locations to present information about the Initial Waiver Redesign Concept Paper and obtain feedback from self-advocates and family members.
